

Report On Anti-Ragging Week Celebration – 2026

Government Medical College, Nashik

Duration: 12 August 2026 to 18 August 2026

Theme: “Awareness Against Ragging – Ragging-Free Medical Campus”

1. Introduction

In accordance with the guidelines of the National Medical Commission (NMC) and the University Grants Commission (UGC) for the prevention of ragging and promotion of a safe and conducive educational environment, Government Medical College, Nashik organized Anti-Ragging Week from 12 August 2026 to 18 August 2026.

The week-long programme was conducted with the objective of sensitizing MBBS students, interns and other members of the institution regarding the meaning and harmful consequences of ragging, applicable legal and disciplinary provisions, institutional mechanisms for prevention and reporting of ragging, and the importance of maintaining a respectful, inclusive and ragging-free medical campus.

The activities were organized under the guidance of the Anti-Ragging Committee and the institutional administration.

2. Objectives of the Programme

1. To create awareness among students regarding the prevention of ragging.
2. To sensitize students about the legal, disciplinary and institutional consequences of ragging.
3. To promote a safe, respectful, inclusive and supportive learning environment within the medical college.
4. To encourage students to actively participate in anti-ragging awareness initiatives.
5. To reinforce the institutional policy of zero tolerance towards ragging through educational and participatory activities.
6. To encourage students and staff to take collective responsibility for maintaining a positive and respectful campus culture.

3. Theme of the Celebration

“Awareness Against Ragging – Ragging-Free Medical Campus”

The theme emphasized that maintaining a ragging-free campus is a collective responsibility of students, faculty members, interns, administrative staff, security personnel and the institution as a whole. The campaign promoted the values of dignity, equality, mutual respect, compassion, professional ethics and responsible peer interaction.

4. Day-wise Activities Conducted

12 August 2026 – Awareness Lecture for MBBS Students

An awareness lecture on “Awareness Against Ragging – Ragging-Free Medical Campus” was conducted for MBBS students. The session focused on the meaning and forms of ragging, its adverse psychological, social and academic consequences, institutional regulations, and the responsibilities of students in preventing and reporting ragging.

Outcome: The session enhanced students’ awareness regarding anti-ragging policies and encouraged them to actively contribute towards creating a respectful and ragging-free medical campus.

14 August 2026 – Anti-Ragging Pledge by Students

An Anti-Ragging Pledge was administered to students as part of the Anti-Ragging Week celebration.

Through the pledge, students collectively reaffirmed their commitment to upholding dignity, equality and mutual respect and to maintaining zero tolerance towards ragging in all its forms.

Outcome: The activity reinforced the institutional commitment to prevention of ragging and promoted a sense of collective responsibility among students for maintaining a safe and respectful educational environment.

17 August 2026 – Poster and Slogan Competition

A Poster and Slogan Competition was organized to encourage creative participation by students in promoting awareness against ragging.

Students conveyed meaningful anti-ragging messages through posters and slogans highlighting friendship, respect, equality, compassion, responsible peer behaviour and the importance of creating a positive learning environment.

Outcome: The activity enhanced student engagement and promoted anti-ragging awareness through creative expression, peer participation and positive messaging.

18 August 2026 – Awareness Session for Class III, Class IV and Security Staff

A concluding awareness session on “Awareness Against Ragging – Ragging-Free Medical Campus” was conducted for Class III staff, Class IV staff and security personnel.

The session emphasized the importance of vigilance and collective responsibility in identifying, preventing and reporting incidents of ragging. Participants were sensitized to the importance of maintaining a safe environment for students throughout the campus.

Outcome: The session strengthened awareness among non-teaching and security personnel and emphasized their important role in supporting the institution's anti-ragging measures.

5. Anti-Ragging Awareness and Visibility Initiatives

- Establishment of an Anti-Ragging Selfie Point in the Administrative Office area.
- Encouragement of students and staff to participate by taking photographs with positive anti-ragging messages.
- Display of posters and messages promoting dignity, equality, mutual respect and a ragging-free campus.
- Continuous sensitization of students regarding institutional anti-ragging regulations.
- Promotion of positive peer relationships and responsible student behaviour.

These initiatives helped maintain continuous visibility of the anti-ragging campaign and encouraged active participation of students and staff throughout the week.

6. Outcomes of the Anti-Ragging Week Celebration

- Increased awareness among students regarding anti-ragging regulations, institutional policies and reporting mechanisms.
- Sensitization of MBBS students and interns regarding respectful and professional behaviour.
- Reinforcement of the institutional policy of zero tolerance towards ragging.
- Active student participation through the Anti-Ragging Pledge and Poster and Slogan Competition.
- Promotion of positive peer interaction, mutual respect and an inclusive campus culture.
- Increased visibility of anti-ragging messages through posters, displays and the Anti-Ragging Selfie Point.
- Greater awareness among Class III, Class IV and security personnel regarding their role in maintaining a safe campus environment.

7. Conclusion

Government Medical College, Nashik successfully observed Anti-Ragging Week from 12 August 2026 to 18 August 2026 through a series of educational, awareness-based and participatory activities conducted under the theme “Awareness Against Ragging – Ragging-Free Medical Campus.”

The institution remains committed to implementing the applicable anti-ragging regulations and guidelines of the National Medical Commission (NMC) and University Grants Commission (UGC) and to ensuring a safe and ragging-free campus for all students.
